email: Bob Stires: bob.stires@gmail.com or go to our website at www.tasteofpetaluma.org

NOTE:

You may combine your small taste of wine with a food vendor and the vendor will take one ticket for both. Or you may serve a larger taste with a perceived value of \$3.50 for one ticket. Guests have 10 tickets to spend and we want them to visit locations all over town. Remember you will be serving and collecting tasting tickets for 4.5 hours and you don't want to run out of your beverage. Approximately 100-400 guests will visit your location, and trash receptacles will be provided at your host location (in addition to street receptacles).

No fee to alcoholic beverage providers, the host location will cover the fee. The host fee includes coverage for purchase of the ABC day license as well as 5 oz. plastic drinking cups which we will provide to each host location, unless you are able to provide your own. If you prefer glass, this will have to be provided by you and approved by your host.

No alcoholic beverages are allowed outside of each host location per the Petaluma Police Department and the ABC. All persons 21 and over will be given a wristband and checked for ID.

We look forward to seeing you there!

This event is a benefit for Cinnabar Theater, a California 501c3 non-profit. Tax ID# 23-7386031
